

A vacancy has arisen within the Logistics department for a Logistics Operative to report to the Logistics & 2nd Ops Supervisor. This position is to work on days (8.30am – 5.00pm, Monday to Friday).

The candidate must be physically fit, as lifting is required, have a clean UK driving licence, a forklift truck licence would be desirable and be prepared to work in a fast-moving environment.

Main duties include:

- Accurate and timely packing of material and home assembly preparation/delivery.
- Control of the movement of material to and from Operations.
- Book and correct all material transactions in Glovia MRP system.
- Work closely with the Operations and Logistic teams to ensure that parts are processed efficiently and in line with customer and business priorities including:
 - Ensuring that all inventory transactions are completed accurately in Glovia.
 - Identifying and highlighting supply issues as they arise.
 - Contribute to the development of logistic improvements.
 - Van deliveries and collections.
- Any other duties that may be required within the Logistics function

Deadline: 21/05/2019
