

BNL (UK) Ltd Quality Policy Statement

BNL (UK) Limited designs and manufactures injection moulded, CNC machined plastic components and functional assemblies. BNL is committed to achieving customer satisfaction and to becoming a supplier of choice and key partner for our customers. We assure our commitment by:

<i>Policy Statement Item:</i>
Maintaining, reviewing and continuously improving our Quality Management System in accordance with ISO 9001:2015 & IATF16949:2016 and our customers' requirements
Maintaining and developing our culture of focusing on customers' requirements and satisfaction
Establishing and tracking Key Process Indicators to measure our performance and facilitate continuous improvement
Involving and empowering our employees and developing their talents, skills and capabilities
Continuously improving the capability, efficiency and flexibility of our manufacturing processes using lean manufacturing techniques
Developing close strategic partnerships with our key suppliers
Encouraging and promoting behaviour in line with our stated and agreed core values

Overall Quality Responsibility – C.E.O: Jonathan Wilkinson
